Research Description

Objective: Describe the goal of the genealogical research. For example, you might mention the specific family history you wish to trace, uncover connections to Polish ancestors, or delve into regional history through genealogical research.

Example: *The aim of my research is to trace the family history of my maternal grandfather, who emigrated from the Lublin region of Poland to the United States in the early 1900s. By researching civil and church records, as well as local archives, I intend to uncover the genealogical lineage and historical context of my family's roots in Poland.*
