POLISH FALCONS OF AMERICA

THE STRONG, FRIENDLY, FAMILY FRATERNAL

June 5, 2025

His Excellency
Dr. Karol Nawrocki
President-Elect of the Republic of Poland

Dear President-Elect Nawrocki,

On behalf of the Board of Directors, officers, staff, and more than 23,000 members of the Polish Falcons of America (PFA), I extend our heartfelt congratulations on your historic election as President of the Republic of Poland. Your decisive victory is a testament to the confidence Polish citizens place in your vision, integrity, and long-standing commitment to historical truth and national renewal.

Our organization has been privileged to work closely with you through the Institute of National Remembrance (Instytut Pamięci Narodowej), where the PFA's century-spanning archival collection now resides. Safeguarding those materials in the IPN's state-of-the-art repository has strengthened the bridge between our Polish-American community and the homeland, ensuring that the contributions of Falcons on both sides of the Atlantic will inspire future generations. Your personal support for that partnership—most recently demonstrated during your remarks at the Polish American Congress anniversary dinner in Chicago last year—has been invaluable.

As you prepare to assume the highest office of the Republic, please know that the Polish Falcons stand ready to deepen our collaboration with the Presidency and Poland in three key areas:

1. **Historical preservation and education** – Expanding joint educational initiatives that showcase the shared sacrifices of Poles and Polish Americans in the pursuit of freedom.
2. **Youth and civic engagement** – Connecting young leaders in Poland with their diasporic peers through exchange programs, internships, and cultural events.
3. **Strengthening trans-Atlantic ties** – Promoting people-to-people diplomacy that complements the strategic U.S.–Poland alliance and reinforces our common democratic values.

For 138 years, the Polish Falcons have fostered "Zdrowym Ciele, Zdrowy Duch" among Polish descendants worldwide. Under your leadership, we are confident that Poland will flourish in that same holistic spirit, advancing prosperity at home while remaining a beacon of liberty abroad.

Please accept our sincere congratulations and best wishes for success in the momentous years ahead. We look forward to welcoming you to our National Headquarters at your convenience and to celebrating the enduring partnership between the Republic of Poland and the Polish Falcons of America.

Z najgłębszym szacunkiem,

Timothy L. Kuzma
National President
Polish Falcons of America
