

# 2026 PFA Youth and Heritage Campaign

For more than a century, the **Polish Falcons of America** has celebrated two great strengths: our youth and our stories. Together, they define who we are and what we stand for.

Through long-standing programs such as the **Future Leaders Conference**, **National Youth Camp**, and **Family Fun Weekend**, we've empowered generations of young Falcons to grow in confidence, leadership, and pride in their Polish heritage.

In 2026, we are expanding these efforts with two vital initiatives that represent both *the past and the future* of our organization: **The Youth Poland Tour** and **The Sokół Polski Preservation and Expansion Project**.

## Preserving Our Heritage

### Join Us in Building the Bridge Between Generations

Your generosity will help us:

- Send young Falcons to Poland to experience their heritage firsthand.
- Ensure that *Sokół Polski*—our historic publication—continues to inform, inspire, and connect Falcons for generations to come, in both print and digital form.

## The Youth Poland Tour

A new cultural and educational journey that will bring 15–20 young Falcons, ages 14–20, to **Warsaw, Kraków, Rzeszów, Częstochowa, and Zakopane**, where they will experience the beauty and history of Poland firsthand.

The tour will include visits with other Polish youth, *Sokół* organizations, and the Institute of National Remembrance (IPN), home to the historical archives of the Polish Falcons of America.

## The Sokół Polski Preservation and Expansion Project

Since **1896**, *Sokół Polski* has been more than a magazine—it has been the heart and voice of the Polish Falcons of America. For nearly 130 years, it has chronicled our history, celebrated our achievements, and connected our Members across generations.

We are committed to upholding this proud **print tradition**, preserving the tactile, timeless experience that Falcon families have valued for over a century. At the same time, we recognize the need to expand our **digital footprint**—to reach younger Members, families, and the broader Polish-American community online.

### Your support will help us:

- Maintain *Sokół Polski* as a printed publication, issued twice yearly (plus two digital editions).
- Modernize our digital presence with enhanced online content, photography, and interactive features.
- Create a stronger bridge between our publication, our Members, and the next generation of readers and leaders.

Together, these initiatives will ensure that our stories continue to be told—and that new stories are created through the experiences of our youth. We invite individuals, businesses, and organizations to stand with us in this effort to **preserve our legacy and inspire our future**.
