

- Contracting
- Agent Portal
- iCover
- Strategy/Timeline
- A peek over the horizon

## AgentSync

Contracting with AgentSync is up and running. Streamlining contracting in a paperless process all online.

- Currently 35 agents and 5 agencies.
- Running background for new agents, NPN and verifying active license daily staying in compliance.

Just-In-Time (JIT) appointments for WI, MI, IL, IN, and NJ.

- Holding off on producer appointments until that producer writes business.

## Agent Dashboard

Working with Pinpoint to create a portal for agents to view.

- Submitted business
- Pending business
- Issued business
- Commissions

## iCover

In pilot with Final Expense as of 10-26-22. Simple and fast point of sale underwriting. Getting life insurance coverage has never been easier.

- 12 pilot agents.
- Goal is to drive as many agents as possible and applications through during the testing phase before going live to new Agencies.
  - Providing leads to help drive business plus a cash incentive.
- When doing remote sales clients can sign the application through a text message in addition to an email. In the next build will be the option to sign through a voice signature.

## iCover

Apply online and get covered in minutes!

### **SOLUTIONS FOR TODAY. PROTECTION FOR TOMORROW.**

Protecting Members since 1928.

We know that together is better and we are proud to be a not-for-profit society that encourages Members to support their local community.

### **FOR A GREAT JOURNEY**

Be honest about your medical history.  
Decide who will be your beneficiary.  
Have a credit card and banking info available.

## Strategy/Timeline

- iCover will be in pilot for about 6 more weeks depending on traffic.
- Talking with Producer Resources to add more agents during the pilot.
- Next product roll out is traditional Whole Life.
- Reaching out to Agencies I have worked with in the past introducing PFA, products and ease of doing business with Flight once we have a timeline when will be out of pilot.  
Starting with:
  - Shoreline Financial headquartered in CT with about 500 agents.
  - Easy Protection headquartered in NJ with about 300 agents.

## A peek over the horizon

- Start recruiting new Agencies
- Adding additional products to E-App
- Agent portal
- New partnership with Insuraware for leads for agents and long-term Direct-to-Consumer.

## A peek over the horizon

- Insuraware is the first insurtech solution to complete the value chain from lead generation to enrollment. They use state-of-the-art, multidimensional AI. This technology allows them to identify who to call today and who to market to for tomorrow's sales.
- This is another value-add for agents and agency's when getting contracted with us.
- They offer a fast and easy D2C white-label quote to enroll working with iCover.
