5/2023	Miscellaneous	T-Shirt Sales	62.00		\$10,782.39

The May raffle is ongoing. A final report will be provided at the August board meeting. I had requests for tickets that I could not fulfill as unsold tickets were not returned. I am going to review the mailing list and see if there are any changes that I can make to be able to get tickets to the people who want to purchase them.

Expenses for the BCV Family Weekend included socks, beanies, and seat cushions for \$1,604.33 and a \$3,500.00 donation for a total of \$5,104.33.

We are hoping that Future Leaders and BCV participants will also be attending camp this year and encouraging other members to attend. Druhna Chris is doing everything she can to keep our youth involved in the Falcons. Please be sure to promote and encourage participation at National Camp in your districts and nests. Remember that non-PFA members are also invited to these events so youth members can always bring along a friend.

The balance in the account of \$10,782.39 was confirmed with Rob. As always, thank you, your districts, and your nests for your continued support.
